Dear Mr. Carroll:

The Friends of the Manatee County Central Library would like to thank you for your recent program ***Charles Lindbergh, The Lone Eagle***.

The patrons who attended thoroughly enjoyed the performance and the follow up discussion. The acting was first rate and we appreciated that you presented both the good and the bad aspects of this complex hero's life. We heartily endorse this program and look forward to working with you in planning future performances at our library.

Sincerely,

Kevin Beach
